

A Note to Visitors & Hunters

Welcome, we're so glad you're here! This small-town community is full of friendly folks, so if you need some help or information, just ask! We love our little piece of Southeast Montana and for the safety and enjoyment of everyone, we have a few tips on visiting Broadus:

- **Be vigilant and cautious on the highways and county roads.** There could be livestock, wildlife, motorcyclists or slow moving agricultural vehicles on the roads. Be especially careful when you approach large vehicles and wait until you know it's safe to pass. Many county roads pass through private ranches so please be courteous as you pass our rural homes. Always close any gates you open!
- **Slow down through town.** Our walking trails make this a great place for pedestrians and kids, so please keep your speed down and give right of way to those on foot.
- **Share the road.** We know that it's beautiful country, but if you're spotting wildlife or stopping to take in the scenery, be sure to pull safely and completely off the road. Remember to yield to larger vehicles when going uphill or around tight corners.
- **Always ask permission for private lands.** If you're hunting or hiking, use only public areas unless you've obtained private landowner permission.
- **Help us keep our community beautiful.** We appreciate when you clean up after yourself and your pets and dispose of garbage in appropriate receptacles.
- **Enjoy your stay.** No matter how long you're here, we encourage you to make the most of all that our town has to offer.
