Thank you for considering a membership with the Powder River Chamber of Commerce & Agriculture! We truly appreciate the support of individuals and our local businesses, as the Chamber could not exist without you.

Our Mission:

“Our mission is to be the leader and catalyst of cooperative efforts that strengthen and promote a unique and vibrant small town economy, be the voice of business in local and government affairs, develop community leaders and entrepreneurs, and promote a positive environment for commerce through educational, social, and cultural events.”

With that mission in mind, we’re trying to shift the mindset and perception of our organization. **What can the Chamber do for YOU?** Therefore, in addition to proudly supporting community events and traditions, we’re pleased to say that Chamber membership also offers some amazing advantages for your business. Be sure to review the attached 2020 benefits because we’ve made a few changes and additions. Most notably, the digital sign on Courthouse Square is now available for advertising blocks for our members! Remember that Chamber membership dues are considered a tax deductible advertising expense based on the services we provide!

We hope you will join a group of individuals committed to the betterment of Broadus and the advancement of our economy. Take pride in knowing that you are helping to support and sustain our small town values through your membership. If you have any questions we encourage you to contact one of our board members and we welcome your feedback and suggestions on how the Chamber can benefit the needs of commerce and agriculture in our community.
